COLUMBUS · DAYTON · AND NEARBY

The dig site comes to you.

A construction play zone built inside a 24-foot truck. We pull up, open the back doors, and the little crew gets to work.

01
Pick your date
Tell us where, when, and how many little diggers. We send back a quote.

02
We roll up
The truck parks at your driveway, lot, or event. The back opens and the crew is ready.

03
They gear up and dig
Hard hats on, vests on, diggers in the sand. When it's over, we pack up and drive off.
